

Announcement

[Redhill Office](#) Our office at 24 Cromwell Road will close permanently on Friday 16 March 2018. How to contact us until we reopen in new premises.

Social Policy

[Help us work for social justice](#) Could you volunteer in our research and campaigns team?

[Advice must be available](#) Mental health practitioners are spending too much patient time on non-medical issues.

[Problem gambling](#) The effects on families are well-documented. The industry must contribute more to preventing and dealing with gambling-related harm.

[Energy price cap](#) Competition matters but it's not enough to ensure fair charging for something no one can do without (especially this week!)

[Energy industry](#) There are more and more supply companies but switching is often far from stress-free. We are calling on the energy regulator to introduce more demanding license conditions for new market entrants.

How we help

[Problems with relationships](#) Happy relationships with family and close friends matter very much. It can be hard to know where to turn when problems arise.

Community

[Healthwatch: adult mental health](#) Drop-in programme

[Henry's last Adviceline](#) We say goodbye to a valued colleague in the time-honoured way.
